

Specification Sheet:
Bianca Mesh Chair

The Bianca Mesh Chair is a feature-packed office chair at an economical price. It features gas height adjust, tilt mechanism with locking and tension control, comfortable fixed armrests, and height adjustable lumbar support. The soft high density foam seat and silver and carbon fibre effect on the backrest give the Bianca a high end feel that can help uplift an office space. With a 3 year warranty, the Bianca offers both value and peace of mind.
